

SO ON THE BRAIN TO NEW THINGS

**A pre-school class
that introduces
your children to
physical activity**

ENERGIZERS

From crawling to Five year olds

Unlike other "Mini Gym" classes, **Energizers** offers your children the opportunity to develop their motor skills, hand/eye co-ordination and body awareness through the **Energizers** Award Scheme, which is tiered so that children of all levels of ability can participate if they wish. Each class is taught by qualified coaches and P.E. teachers, providing your children with the best coaching available.
